

MONEX EUROPE TOPS FX WEEK'S THREE-MONTH G10 FORECAST RANKINGS

10TH SEPTEMBER 2018

Monex Europe topped FX Week's three-month G10 forecast rankings last week, beating the world's top banks and financial institutions.

Topping the three-month forecast ranking, on June 1, 2018 the firm's forecast was:

Currency Pair	3-Month Forecast	Sept 3rd Spot Rate
EUR/USD	1.16	1.16
USD/JPY	111	111
EUR/JPY	129	129
GBP/USD	1.34	1.29
USD/CHF	1.00	0.97

Monex Europe also scored high in the 12-month rankings and 1 month's ranking, securing sixth place in the 12-month rankings, based on forecasts submitted in September 2017.

“ We're delighted to have been ranked at the top of the FX Week forecast rankings again, as we pride ourselves on providing our clients with proactive, timely analysis and insight into the currency market.

Ranko Berich, Head of Market Analysis at Monex Europe.
